

Accessibility Assessments

Understanding local, state and federal accessibility regulations can be difficult. Our team is here to help identify, evaluate and provide clients with options and recommendations that help mitigate potential risks and accessibility barriers at their properties.

Services provided

- Americans with Disabilities Act (ADA) compliance reviews
- Fair Housing compliance reviews
- Certified Access Specialist reviews (CAsp, California)
- Plan design reviews
- Facility management

Property types

- | | | | |
|---|-------------|---|-------------------------|
|  | Commercial |  | Public Institutions |
|  | Government |  | Multifamily/Residential |
|  | Hospitality |  | Office |
|  | Industrial |  | Retail |

How can we help?
